

HEALTHY OAKLAND TEENS SURVEY

We are interested in learning more about your thoughts, opinions, and feelings about health and what you do to stay healthy.

We hope you will help us by completing this survey. We will use your answers to improve school health education programs in Oakland. None of your answers will be available to anyone at any time. All the information you give us will be kept private. Do not put your name anywhere on this questionnaire.

Whether or not you answer the questions will **not** affect your grades. If you decide not to participate, your teacher will provide you with some other activity during this class. However, we really need **your** help to keep young people in Oakland healthy! 🌟

Please remember:

Do not put your name on this form.

Your answers are private. We will not tell anyone what you write.

You are not being graded on this exercise.

Please take your time and answer carefully.
